

FINDING AFFORDABLE HEALTH CARE

Where can I get health care?

Anyone, regardless of immigration status can get high quality primary and preventative health care services at a reasonable cost at any of the 20 Federally Qualified Health Centers (FQHCs) and their 122 sites throughout New Jersey.

FQHCs or Community Health Centers provide:

- Primary and Preventative Health Care
- Women's Health
- Cancer Screening
- Tobacco Cessation & Counseling
- Mental Health
- Immunizations
- Dental Care
- Tobacco Use Screening
- Ear & Eye Screenings
- Social Services
